Communicating Effectively in the Academy: Techniques from the theatre to Enhance Understanding and Build Relationships

Professional and Academic Development (PAD) Seminar Series
Friday, March 23, 2012 - 1:00 p.m. to 2:30 p.m.
Welcome Center

Seminar Description:
Have you ever found yourself in a professional situation where you are at a loss for words? Do you wish you had the tools to defuse a heated discussion, or convey an important message that will lead to successful decision-making?

This PAD seminar will present scenarios that faculty may have encountered -- in the lab, with students, with office personnel, or with other faculty.

Join us for this educational seminar that will utilize the presentation of scenes (performed by faculty and students in the Theatre Department) for learning and discussing how to best respond in awkward situations.
