

# Research @ WSU

## Virtual Scavenger Hunt 2017

### ANSWERS

1. When you become the talk of the town for your research, blame us because Julie O'Connor made you famous!

**URL: <https://research.wayne.edu/about/communications/communicating-research.php>**

2. Workshops are held for this searchable database so that finding funding isn't a wild goose chase. This funding database is called COS PIVOT.

**URL: <https://research.wayne.edu/development/pdf/getting-started.pdf>**

3. The Instruction in Proposal Writing seminars can improve your proposal, and we host one each at the main and medical campus at your disposal.

**URL: <http://research.wayne.edu/seminars-training/grant-seminars.php>**

4. Want to know when OVPR is holding its next soiree? Check out the university calendar at events.wayne.edu to find out right away!

**URL: <https://events.wayne.edu/>**

5. Speaking of soiree, we're holding one soon! Our Research Reception for New Faculty will be on October 26 in the afternoon.

**URL: <https://events.wayne.edu/2017/10/26/research-reception-for-new-faculty-72592/>**

6. In the November 2016 cycle, Dr. Kopetz got a Boost, for smoking she is trying to reduce. Her successful internal grant proposal title was: **Mechanisms Underlying Intermittent Compared to Daily Smoking**.

**URL: [http://research.wayne.edu/development/internal\\_funding\\_programs\\_/grants\\_boost\\_-\\_all\\_recipients\\_2.pdf](http://research.wayne.edu/development/internal_funding_programs_/grants_boost_-_all_recipients_2.pdf)**

7. The leader of OVPR is Dr. Lanier, who co-chaired Detroit's Heart Walk for cardiac health last year.

**URL: <https://wayne.edu/newsroom/release/2017/03/15/wayne-state-universitys-steve-lanier-to->**

**co-chair-metro-detroit-heart-walk-6062**

8. If you want higher success submitting grants, the **Pre-submission Review** program lets colleagues give your work a glance.

**URL:**[https://research.wayne.edu/development/internal\\_funding\\_programs\\_/presubmission\\_review.pdf](https://research.wayne.edu/development/internal_funding_programs_/presubmission_review.pdf)

9. Providing professional travel money is no stunt. **Jiemei Wang** was last year's first place winner of our Research Scavenger Hunt.

**URL:** <https://research.wayne.edu/seminars-training/research-orientation.php>

10. Uploading a proposal is no longer a hassle; the improvement from the old system to **Evisions** is substantial.

**URL:** <https://research.wayne.edu/spa/eprop/index.php>

11. OVPR offers career development trainings known as the **Research and Academic Development Seminar Series**. These seminars are geared toward addressing faculty members' professional research queries.

**URL:** <https://research.wayne.edu/seminars-training/seminar-series.php>

12. This new interdisciplinary research building may be made partially of glass, but the **Integrative Biosciences Center** is as tough as brass.
