

Evisions – Proposal Authorization

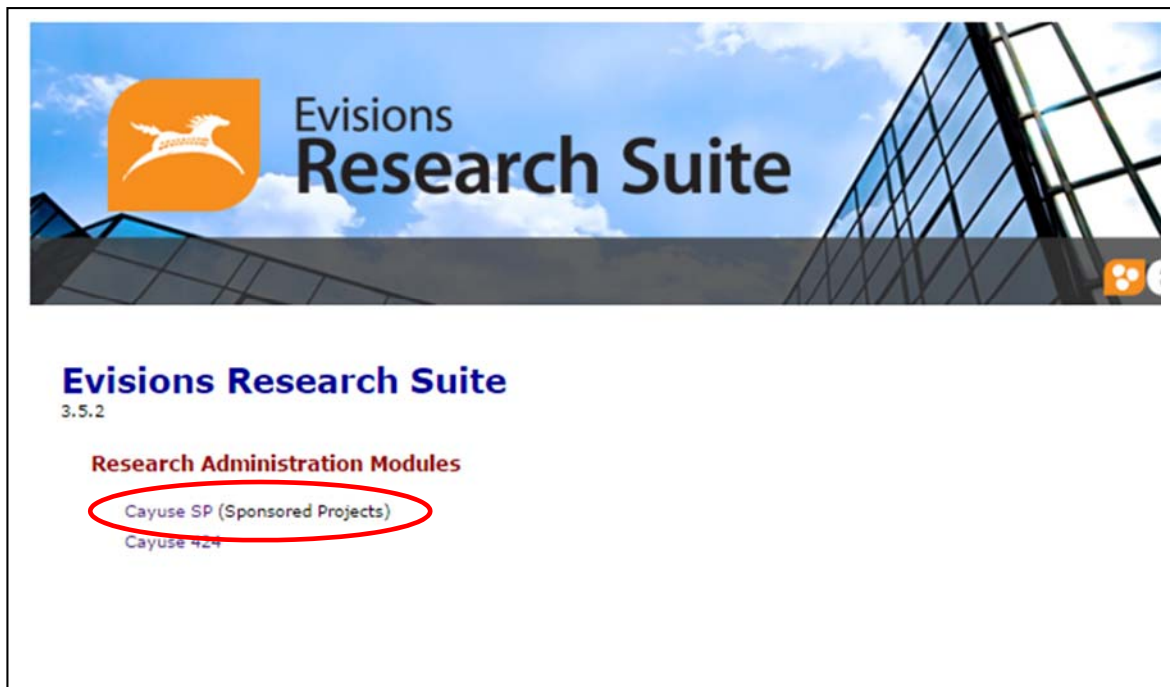

AUTHORIZATION INSTRUCTIONS

All members listed in an approval queue for a college or departmental unit will receive an automated message that a proposal involving their unit needs approval in Evisions.

To complete the Authorization process you will need to log in to Evisions (wayne.cayuse424.com) using your ACCESS ID & password.

Evisions can be accessed from any location that has internet access. All browsers are supported.

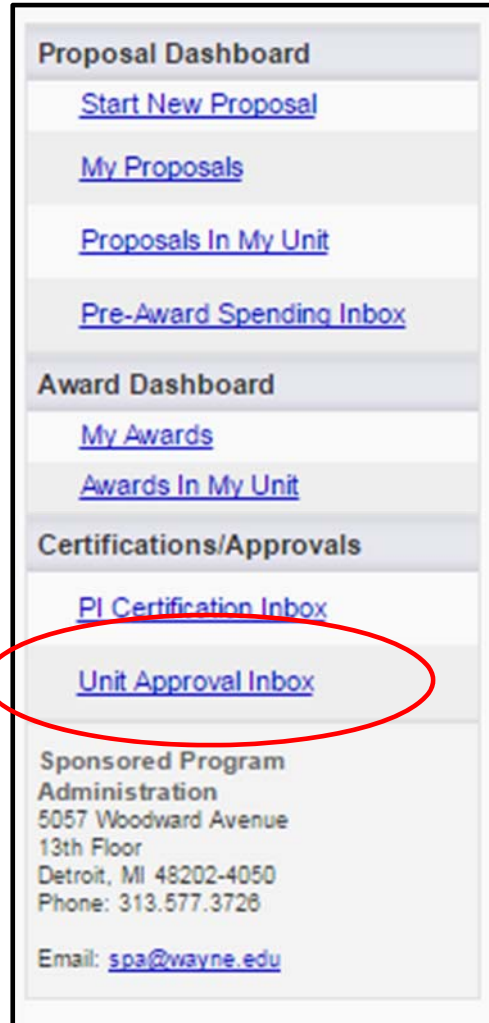

After logging into Evisions, you'll see the following screen:

Select Cayuse SP from the Research Administration Modules

Evisions – Proposal Authorization

Locate the Unit Approval Inbox on the left hand navigation pane.

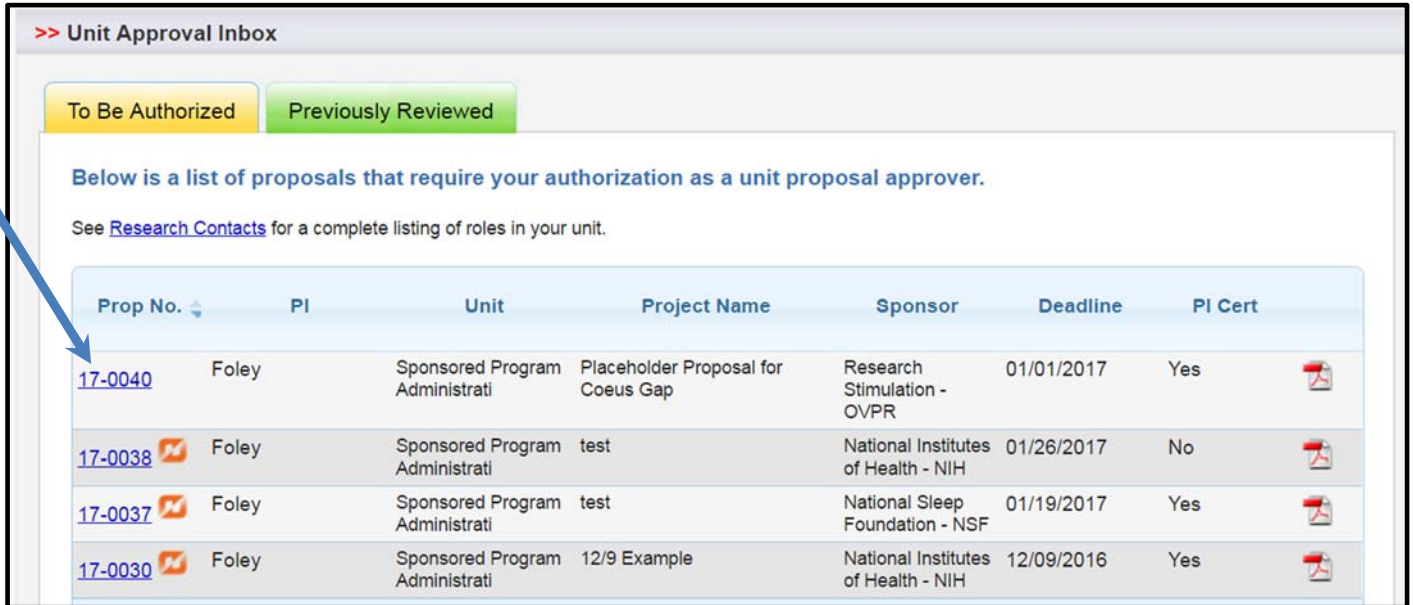

The image shows a vertical navigation pane with several sections. The sections are: Proposal Dashboard, Award Dashboard, Certifications/Approvals, and Sponsored Program Administration. The 'Unit Approval Inbox' link is circled in red.

Evisions – Proposal Authorization

You will be taken to the Proposal Routing Status for the proposal. Select View IPF to view the SP record. Select Authorize Proposal to authorize. Select Reject Proposal to reject – you will be prompted to provide a reason for rejection.

The screenshot shows a web interface titled "Proposal Routing Status". It displays the following information:

- Proposal No: [17-0040](#)
- Project No:
- Lead Investigator: [Timothy Foley](#)
- Sponsor: Research Stimulation - OVPR
- Project Title: Placeholder Proposal for Coeus Gap

Below the information, there are four buttons: "View IPF", "Authorize Proposal", "Reject Proposal", and "Administer Proposal". The first three buttons are circled in red. Below the buttons is a navigation bar with tabs: "Approvals", "Compliance", "Status History", "Pre-Award Spending", and "Awards". Below the navigation bar, there is a message: "The above proposal has been successfully submitted. All lead/principal investigators and approving units listed below". Below the message, there is a section titled "Investigator(s) who must certify this Proposal" with a table header "Investigator".

Be sure to View the Internal Processing Form (IPF) to verify the conflict of interest, time & effort committed and the appropriate scientific discipline, along with all other areas of the IPF.

As Dean/Chair/Director, I understand and assume the following responsibilities with respect to this application:

- It is an appropriate activity within the Department/Center/Institute; and supports the mission of the University.
- That the Department/Center/Institute has agreed to provide the resources identified in this application.
- When applicable, these resources could include cost sharing and the responsibility for reimbursement of costs to the University in the event that the sponsor is unable to pay the University for research expenses incurred during the period of performance of this project.
- When applicable, since the University policy mandates only full-time, permanent EPA employees may serve as principal investigator (PI); with respect to this application, I approve that this individual is eligible to serve in the role of PI despite his/her part-time employment status.

In the event that I have delegated my signature authority to the person signing this Internal Processing Form in my absence, a copy of the delegation is on file at my organization. However as Dean/Chair/Director, ultimate responsibility remains with me.

Be sure to include any questions or concerns that you may have regarding the information included in the electronic IPF.

There are two ways that you can verify that all certifications are complete:

1. If the Unit Approval Inbox does not have a number on the left hand side, then there are no outstanding certifications.
2. After accessing Unit Approval Inbox if there are no records under the To Be Authorized Tab, there are no outstanding certifications.
