## CONSORTIUM/CONTRACTUAL ARRANGEMENTS

Explain the programmatic, fiscal, and administrative arrangements to be made between the applicant organization and the consortium organization.

### **Programmatic:**

### **Fiscal:**

### **Administrative:**

The applicant and all proposed consortium participants understand and agree to the following statement: The appropriate programmatic and administrative personnel of each organization involved in this grant application are aware of the agency's consortium agreement policy and are prepared to establish the necessary inter-organizational agreement(s) consistent with that policy.

**Wayne State University's designation as a state-controlled public institution of higher education may possibly place our institution in conflict with other regulations that we must consider, and we reserve the right to negotiate terms should this project be selected for funding.**

When completing Page 3 of the updated form, describe the following for each section:

**Programmatic**

In this section, describe the procedures for directing and monitoring the research effort. This is basically the statement of work which provides the detailed description of the work to be performed under the agreement.

**Fiscal**

Describe participants budget detail and how each organization will be reimbursed for its effort. Reference to organization's budget breakdown and justification, provided with the proposal package, may be made in this section.

**Administrative**

In this section, include the participant's personnel that will manage the project.

See the excerpt from NIH's website below:

*"The applicant and all proposed consortium participants understand and agree to the following statement: The appropriate programmatic and administrative personnel of each organization involved in this grant application are aware of the NIH consortium agreement policy and are prepared to establish the necessary inter-organizational agreement(s) consistent with that policy."*
